Dress Code
All Classes

Hair must be worn in a controlled fashion away from the face. NO JEANS, POLO SHIRTS or KHAKI’S allowed in any class. All dance shoes should be put on after arriving at the studio and taken off before leaving in order to prolong the life of the shoes and our special dance floors.

Shoes: It is very important for the safety and health of your dancer that he/she wear shoes that fit properly. Allowing too much room for growth may increase the potential for accidents (trippling) and ankle/knee problems from increased torque on the joints while changing directions or turning. Jazz and Ballet shoes will stretch as they are worn, and the foot shortens when a dancer points their toes. Please take this into consideration when purchasing your dance shoes. A good rule of thumb is to fit your child’s dance shoes like socks, rather than athletic shoes. For the health and safety of your child, your teacher’s decision is final regarding the fit of your child’s dance shoes.
